### About Saints and Scholars

Saints and Scholars is the only integrated school in the Armagh and surrounding Armagh area. We are an integrated school. Integrated education brings children together to learn and grow in one school. We seek to reflect in the total number of enrolled each year, an overall balance amongst all traditions and backgrounds. Our school motto is 'it takes a world of differences to make a different world'. Our school is a place where differences are appreciated, respected and celebrated!

At Saints and Scholars, we are proud to be a fully integrated school and this ethos permeates through everything we do. The school accepts enrolments throughout the academic year from Nursery to P7.

Thank you for expressing an interest in our school. When the application process begins in January, we will be in touch to guide you through this process.

We're looking forward to welcoming your child to the Saints and Scholars family!
